Data

data	7 obs. of 1 variable
df	3 obs. of 3 variables
diabetest1	7 obs. of 1 variable

Values

a	num [1:5] 55 67 89 80 90
A	num [1:7] 20 22 25 30 28 24 26
age	num [1:3] 23 24 25
iqr_val	18.75
marks	num [1:3] 88 78 25
